ERRATA NOTICE

The Commission has found the following errors in its Final Decision on Applications for Rehearing, issued February 8, 2002, which should be corrected as noted. Affected portions are underlined.

p. 11, first full paragraph:

" . . . Arco Alaska, Inc., did not even own any interest in the NCIU leases until after Commissioner Heusser had left the company" should read " . . . Arco Alaska, Inc., did not even own any interest in the NCIU gas reservoir before Commissioner Heusser had left the company."

p. 18, first paragraph:

"The Cook Inlet No. 1₂ has a gas water contact of -4260 feet" should read "The Cook Inlet No. 1 Sand has a gas water contact of -4260 feet."

p. 19, third paragraph:

" . . . the Commission has informally used the name 'Tyonek Deep' to refer to the oil accumulation(s) discovered in the Sunfish and North Foreland sands below approximately 11,000 feet in depth" should read " . . . the Commission has informally used the name 'Tyonek Deep' to refer to the oil accumulations discovered in the Tyonek Formation below approximately 11,000 feet in depth."

DONE at Anchorage, Alaska, this 11th day of February, 2002.
